EVENT SPONSORSHIP

Virginia Grains Producers Association in cooperation with Virginia Cooperative Extension is proud to offer the 2009 Small Grains Field Day for area producers. This year's field day is hosted by the Russell family at the beautiful and historic Corbin Hall Farm. While many VGPA events are supported in part through checkoff funds, VGPA always counts on the kind support of our sponsors to cover event costs. Educational events like the field day are made possible through the support of our sponsors and friends like you. We ask that you please consider helping once again to offer this informative event. The field day requires no pre-registration and is free of charge for all attendees. We appreciate your continued support of Virginia's grain industry!
