EVENT SPONSORSHIP

The Virginia Grain Producers Association and Virginia Cooperative Extension are proud to host the 2021 Virginia Small Grains Field Day. This year's field day will be held at the Eastern Virginia Agricultural Research and Extension Center in Warsaw, VA. The event will be held in person and will have some virtual components. In addition to the support provided through checkoff funding from Virginia Small Grains Board, we rely on the kind support of our sponsors to assist with event costs. This allows us to offer a free, educational event open to all attendees, and provides you an opportunity to network with producers from across the Commonwealth. Please consider supporting our annual field day this year. Thank you for your continued support of VGPA and Virginia's grain industry!

**For event details or to register as a sponsor online, visit
www.VirginiaGrains.com/SGFD**

Registration for exhibitors and/or sponsors will close at noon on Friday, May 7th.
